Gingham Baby Blanket (16 ct.)

Stitch the Teddy Bear design on two top corners and bottom left hand corner. Stitch lettering on bottom right hand corner using alphabet above. Our model says "Joshua Grandma Loves You."

How to Start the Gingham Baby Blanket:

See Blanket design above. From the upper left corner of the three corner areas of the blanket count down 30 threads, then count to the right 18 threads. You will begin by a vertical thread (see "The First Stitch" on page 4). Use 4 strands for cross stitch and 2 strands for backstitch. Use the loop method to begin threads (see below).

To stitch the blanket, you will need the following skeins of floss:
2 skeins of 437
1 skein each of all remaining colors.

LOOP METHOD: (To use any time an even number of floss strands is called for - 2, 4, or 6.) When two strands are required, take one strand 30" long and fold it in half. Thread the needle and pull the loop end lower than the 2 cut ends. Bring the needle up through the fabric until the cut ends appear. As the needle goes back through to make the first half cross, take the needle through the loop and it will "lock", leaving no "tail" on the back of the fabric.
